Two-column Album Production Study

LEFT COLUMN - BACKGROUND

The production team considered album sequencing. Instrumentation and rhythm were reviewed separately. This block stays entirely left of the page midpoint. A second paragraph strengthens the column signal.

RIGHT COLUMN - FINDINGS

The arrangement combines several musical textures. Credits retain composer and lyricist relationships. This block stays entirely right of the midpoint. A second paragraph strengthens the column signal.

Album	Year	Focus
Fantasy	2001	Style
Ye Hui Mei	2003	Production
Common Jasmine Orange	2004	Influence
